

Heathcote School

25th January 2010

Dear Parents

We are amazed that we are almost half way through the school year already!

We would like to take the opportunity to check that you are happy with the way your child has settled into Preschool/Kindergarten and that you are pleased with their learning and social development. Please complete this brief questionnaire to let us know how you feel.

If there is anything we can do to be of further assistance, please highlight this. We endeavour to take on board all comments.

Please return this form by Friday 29th January .

Many thanks

Miss H.Petersen
